Attorney Karen Hart McKinney, Our Case #T2005-185
Attorney Julie Benafield, Our Case #T2005-186
Attorney David Greenbaum, Our Case #T2005-187

Dear Mr. Spencer:

This letter is sent in connection with the above referenced matters and to advise you of the disposition of the same.

A five-member sub-panel of the Committee on Professional Conduct was provided the information concerning your grievance against the above referenced attorneys. This information was provided to them pursuant to Section 5.C(5) of the Procedures of the Arkansas Supreme Court Regulating Professional Conduct of Attorneys at Law (Rev. 2002). As you were previously advised, the sub-panel members had three options available to them in connection with their review of the determination made within this office. The three options were to: (1) approve the Executive Director's disposition of the matter; (2) direct that an affidavit of formal complaint be prepared; or (3) request further investigation of the matter.

The sub-panel was provided with a copy of your grievance form, additional information provided by you, the letter decision made within this office and your letter requesting an appeal of the decision made within the office. After review, it was the decision of the sub-panel to affirm the Executive Director's decision and dismiss your grievance filed in connection with the alleged conduct of the respondent attorneys.

Section 5.C(5) of the Procedures provides there shall be no further review or appeal of this final decision by the Committee. Pursuant to the above-mentioned Procedures, this matter will be

closed and will be placed in the retired files maintained within this office.

Sincerely,

A handwritten signature in black ink, reading "Nancie M. Givens". The signature is written in a cursive style with a large, prominent initial "N".

Nancie M. Givens
